

We offer one-on-one attention for each scholar so that no one is left alone to handle their challenges. Scholars get help with their homework during the afternoon and sometimes in the evenings.

## QUOTES

*From Nelson Mandela*

*"I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear."*

*"There is no passion to be found playing small - in settling for a life that is less than the one you are capable of living."*

*"And as we let our own light shine, we unconsciously give other people permission to do the same"*

## THIS WEEK IN NUMBERS

Individual Math Assessments Completed:

Science Experiments Conducted:

Average Standards Passed per Scholar:

Number of Puzzles Attempted:

Average Participation Each Night:

**DAILY PUZZLE**  
*Solve the puzzle and turn it in. We draw for prizes.*

Find a value for each icon in the area model so that it represents the value 144.

Items represent either area or perimeter.

<b>5</b>	<b>10</b>	
	<b>30</b>	

**TITLE**

**By**

This article has yet to be written. Something about Pi week?.

It's been one week and we've noticed that Power Up scholars are less frustrated and more engaged.

**WORDS OF THE WEEK**

**Correlation:** When two sets of data are linked.

---

**Term:** either a single number or variable, or numbers and variables multiplied together.

---

**Tenacious:** Determined, tending to keep a firm hold of something; clinging or adhering closely.

**STEAM HIGHLIGHT**

Scholars measure liquid for a density experiment.
